

Johnson County Secondary Roads Department

ADOPTED
04.04.2019

Iowa DOT County Five-Year Program (CFYP)
and Maintenance Rehabilitation Program

Calendar 2019-2023
(Fiscal 2020-2024)

A BRIEF INTRODUCTION: JOHNSON COUNTY'S SECONDARY ROAD SYSTEM

(Data based on relatively recent IADOT published values)

- Roads

- Approximately 317 Farm-to-Market Route Miles
- Roughly 920 Total Miles of Secondary Roads by surface type:

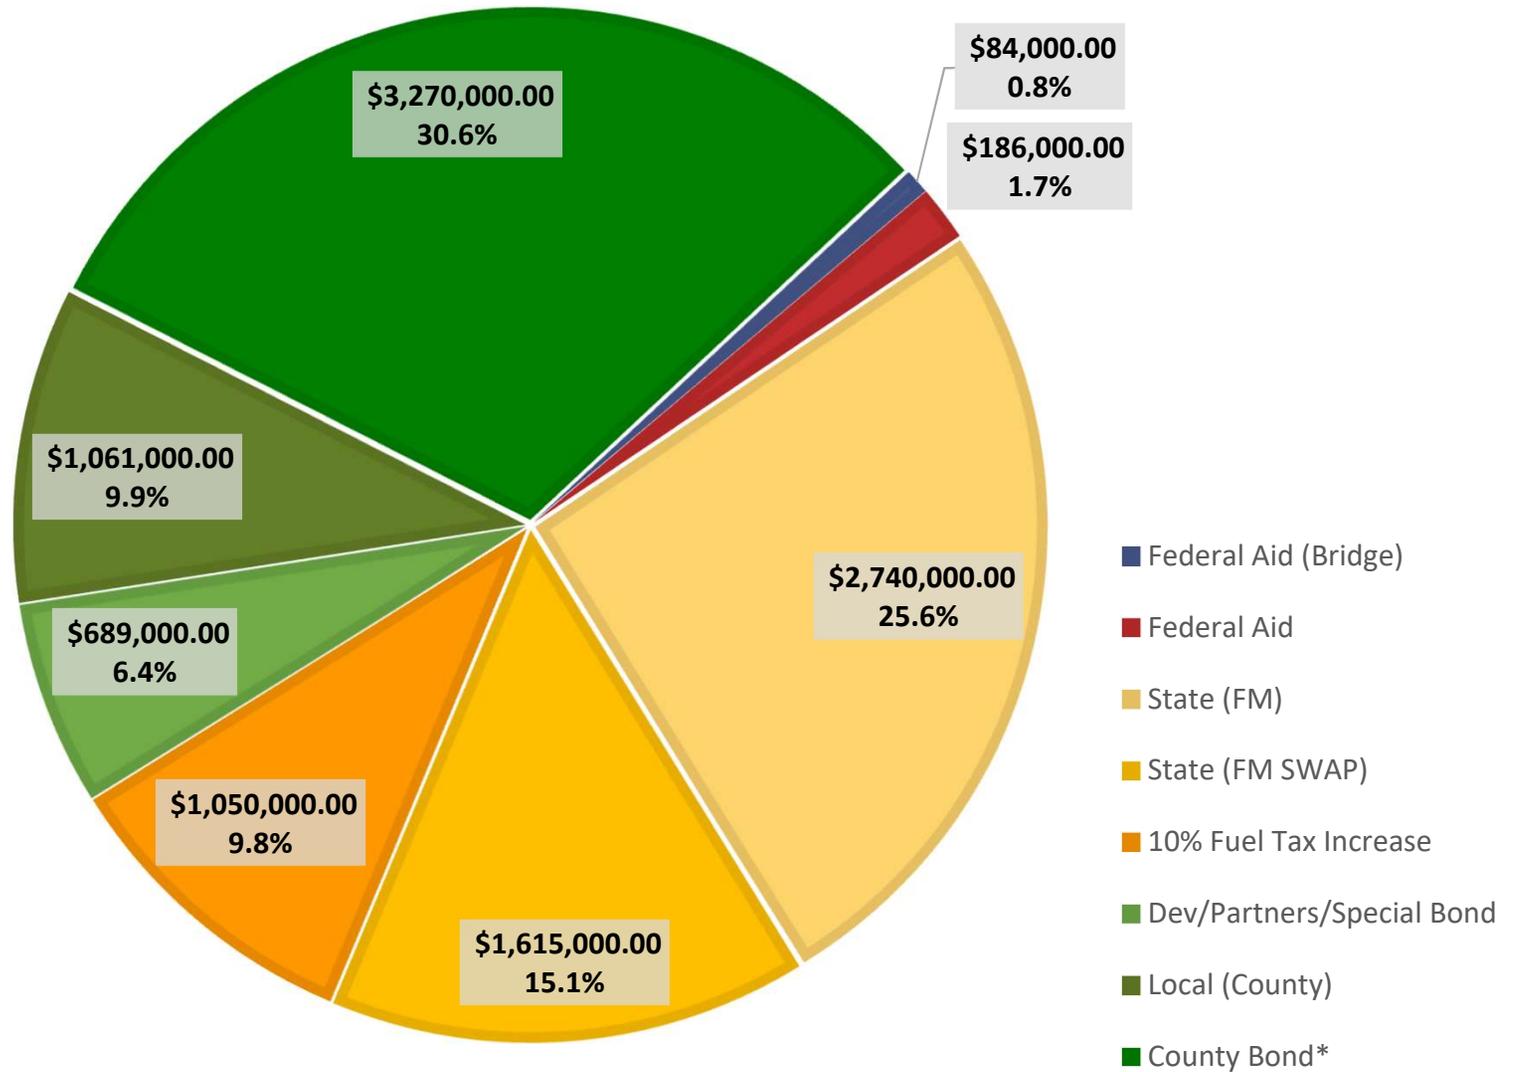

Dirt	Gravel	Bituminous/Chipseal	Asphalt (HMA)	Concrete (PCC)
41	585	122	138	32

- Which means almost 1840 miles of roadside vegetation and ditches to manage too
- Roads are designed to last between 30-40 years for a total reconstruction
- Maintenance and rehabilitation projects hold things together between reconstructions
- Over 220 Bridges longer than 20 feet
 - All bridges ≥ 20 feet in length (NBIS) required by Congress through FHWA to be inspected at no less than 24 month intervals
 - Johnson County bridges rank very well compared with most in Iowa, although Iowa struggles with a low ranking nationwide due to the sheer number of bridges on the system
 - Bridges are designed to last 50 years or more – although many of our bridges are Centenarians!
 - We have 25 structurally deficient and 4 functionally obsolete bridges at this time but we're aggressively replacing and repairing them as part of our CFYP
- Thousands of culverts
- Maintaining and improving this vital transportation network is our daily mission

CFYP CONSTRUCTION

(Revenue/Expenditures - Average Values – All Sources - Calendar 2019-2023)

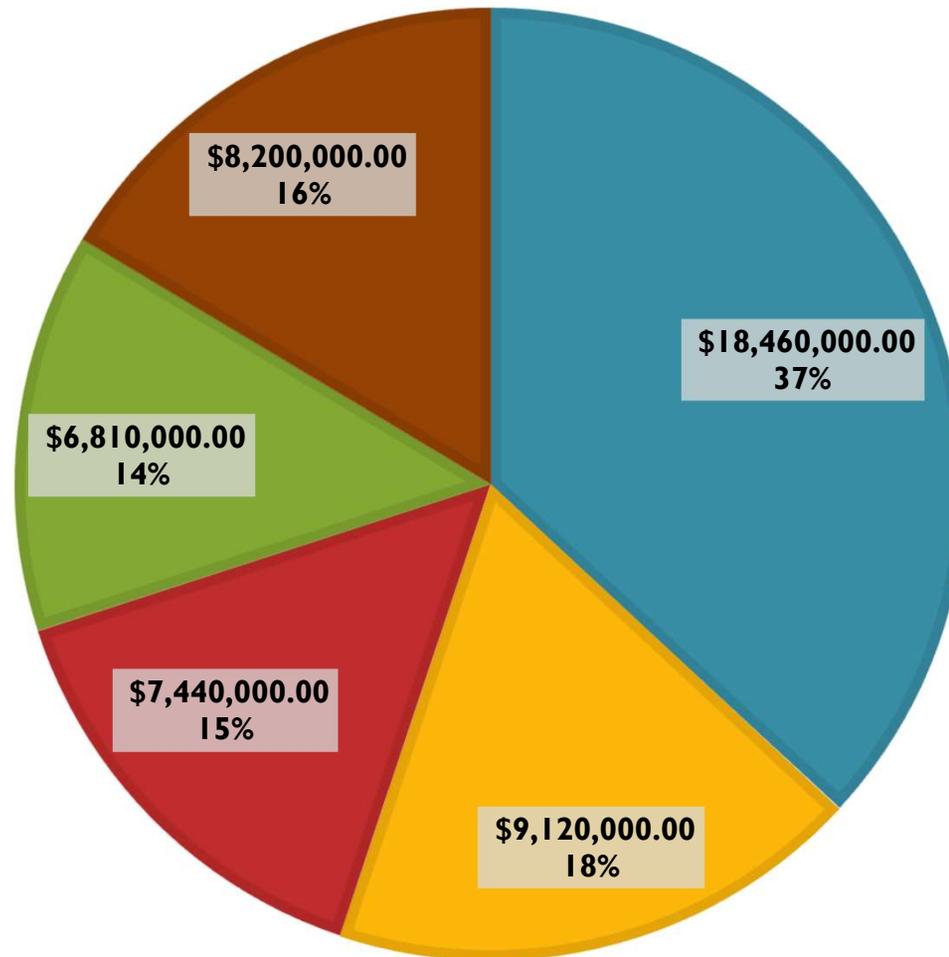

*- County Bond Funding is subject to Iowa legislature and BOS approval

CFYP CONSTRUCTION

(Expenditures By Calendar Year - 2019-2023)

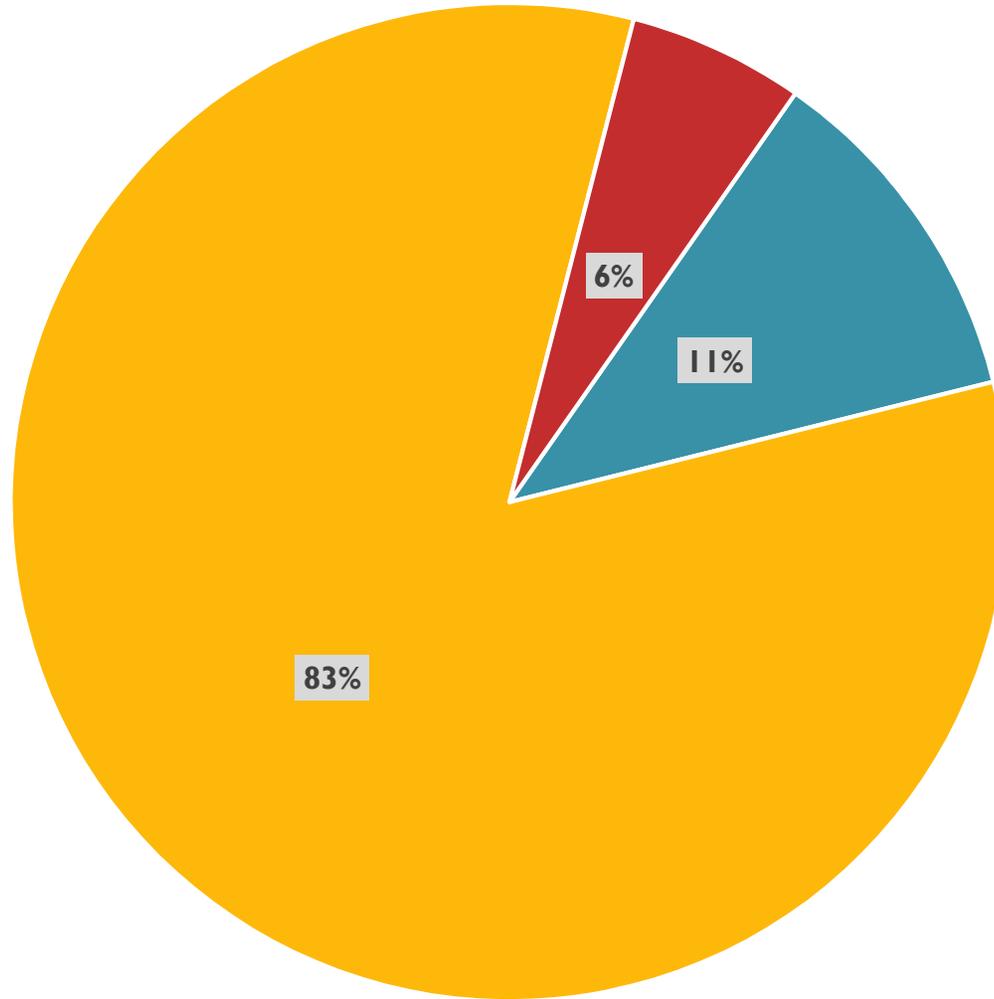

- 2019
- 2020
- 2021
- 2022
- 2023

CFYP CONSTRUCTION

(Expenditures by Project Type)

■ Bridges/Culverts ■ Paved Roads ■ Gravel Roads/MRP

FUTURE PRIORITIES

(Subject to change - Listed alphabetically)

120th Street from Hickory Hollow to Ely Road

140th Street Culvert just West of Ely Road

250th (Penn) Street/Echo Avenue Grade for Pave

500th Street from Naples Avenue to Oak Crest Hill Road

540th Street West of HWY 1

Amana Road stabilized macadam base from Greencastle to Iowa County

Black Diamond Road - Iowa County to HWY 1

Dubuque Street from I-80 to North Liberty

High Volume Chipseal Transition Plan

IWW Road from Blackhawk to Ivy

Rapid Creek Road from HWY 1 to Wapsi

Utah Avenue from HWY 6 to 520th Street

Wapsi Avenue from 520th to Lone Tree

THANK-YOU'S

- The Johnson County Board of Supervisors
 - Prioritize infrastructure improvement
 - Support Secondary Roads mission
 - Invest through bonding and sustained local contribution
- Our Technicians
 - Milton Castro
 - Adam Finken
 - Adam Gebhart
 - Paul Wittau
- Residents of Johnson County
 - Take an active part
 - Care about this community
 - Willing to invest in it

"The Johnson County Secondary Road Department's purpose is to enhance and maintain the county's road system. The department is committed to providing the citizens of Johnson County, and all who use our roads and trails, superior infrastructure and maintenance that improves mobility and a commitment to environmental and economic accountability. Departmental activities strive to meet and most often exceed expectations in the most efficient, effective, and responsible manner."
