

PRECINCT FINDER INSTRUCTIONS

1. Determine the voter's correct current address.
2. Determine the correct precinct by using the street address guides.

Iowa City streets begin on page 09

Coralville streets begin on page 38

North Liberty streets begin on page 45

Smaller Cities streets begin on page 53

Rural streets begin on page 65

If a street name ends with a directional indicator such as NE, SW, etc. it is most likely a rural road and you will need to look it up in the "RURAL" section of the Precinct Finder which begins on page 65.

If the last digit of the number of the street address is an even number, use the "EVEN" row to locate the correct precinct. If the last digit is an odd number, use the "ODD" row to locate the correct precinct.

VOTERS NEED TO VOTE IN THE PRECINCT IN WHICH THEY CURRENTLY RESIDE.

If you are unsure of the location of a particular address, please call the Elections Division at **319-356-6004**.
