5.	Pri	vate Burial Site (check one)
		There are no known private burial sites on this property.
		There is a private burial site on this property. The location(s) of the site(s) and known
		identifying information of the decedent(s) is stated below or on an attached separate sheet, as
_		necessary.
6.	Pri	vate Sewage Disposal System (check one)
		All buildings on this property are served by a public or semi-public sewage disposal system.
		This transaction does not involve the transfer of any building which has or is required by law to
		have a sewage disposal system.
		There is a building served by private sewage disposal system on this property or a building
		without any lawful sewage disposal system. A certified inspector's report is attached which
		documents the condition of the private sewage disposal system and whether any modifications are required to conform to standards adopted by the Department of Natural Resources. A
		certified inspection report must be accompanied by this form when recording.
	П	There is a building served by private sewage disposal system on this property. Weather or
		other temporary physical conditions prevent the certified inspection of the private sewage
		disposal system from being conducted. The buyer has executed a binding acknowledgment
		with the county board of health to conduct a certified inspection of the private sewage disposal
		system at the earliest practicable time and to be responsible for any required modifications to
		the private sewage disposal system as identified by the certified inspection. A copy of the
		binding acknowledgment is attached to this form.
		There is a building served by private sewage disposal system on this property. The buyer has
		executed a binding acknowledgment with the county board of health to install a new private
		sewage disposal system on this property within an agreed upon time period. A copy of the
		binding acknowledgment is provided with this form.
		There is a building served by private sewage disposal system on this property. The building to
		which the sewage disposal system is connected will be demolished without being occupied. The
		buyer has executed a binding acknowledgment with the county board of health to demolish the
		building within an agreed upon time period. A copy of the binding acknowledgment is provided
		with this form. [Exemption #9]
		This property is exempt from the private sewage disposal inspection requirements pursuant to the following exemption [Note: for exemption #9 use prior check box]:
	П	The private sewage disposal system has been installed within the past two years pursuant to
		permit number
