**F12 (120th Street NW)/Division Street rehabilitation to resume
Project #LFM-120th--7X-52**

Johnson County, Iowa – Weather and COVID-19 virus permitting, construction is expected to resume on F12 (120th Street NW)/Division Street from Highway 965 to Iowa County, within the next few weeks. In an effort to keep the road open in the event of a sudden quarantine or shelter order, only work outside the travel lanes that minimally impacts traffic is expected at this time. Travelers should plan for daytime lane closures and brief delays.

L.L. Pelling Company, Inc. of North Liberty, Iowa is the prime contractor.

Please slow down and drive defensively in the work zone. Your patience and understanding is greatly appreciated while we work to complete these improvements as quickly as possible.
