For Immediate Release

**W60 (Highway 965 NW) Resurfacing/Widening to Begin July 27, 2020
Project #STBG-SWAP-C052(106)--FG-52**

Johnson County, Iowa – Weather permitting, construction is expected to begin on W60 (Highway 965 NW) from North Liberty Corporate Limits to Croy Road, the week of July 27th, 2020. Travelers should expect potentially long delays, especially during peak traffic hours. Traffic control will include flaggers, pilot cars, and temporary signals at the bridge over the Iowa River. Local and emergency access to properties and homes will be maintained throughout construction.

Construction is expected to be complete by the end of November. The project involves widening the existing pavement, flood mitigation, and Hot Mix Asphalt resurfacing. L.L. Pelling Company, Inc. of North Liberty, Iowa is the prime contractor.

Please slow down and drive defensively in the work zone. Your patience and understanding is greatly appreciated while we work to complete these improvements as quickly as possible.

For updates on this project, visit the Secondary Roads Department, Road Construction Updates page via links on the Johnson County homepage (www.johnson-county.com) or follow Secondary Roads on Twitter @JCSecondaryRoad.
