Health Department Launches Johnson County's 2022 Community Health Assessment

Johnson County, Iowa –

From Thursday, September 22 to Friday, October 21, Johnson County Public Health asks the Johnson County community to participate in an online health survey to inform the Community Health Improvement Plan.

This Community Health Assessment is part of a larger community health assessment strategy called **HealthyJoCo**," said JCPH Public Health Systems Analyst, Jamie Gade. "JCPH staff and student interns will be conducting other surveys at community locations across the county as well." Those who live, work, play, and learn in Johnson County are eligible to take this assessment via the survey link [HERE](#) and at the end of this press release, as well as at the following partner sites:

- Center for Worker Justice
 - 1556 S 1st Avenue #C, Iowa City, IA 52240
- CommUnity Food Pantry at Pepperwood Plaza
 - 1045 Highway 6 East, Iowa City, IA 52240
- Iowa City Free Medical Clinic
 - 2440 Towncrest Dr, Iowa City, IA 52240
- North Liberty Library
 - 520 W Cherry St #9797, North Liberty, IA 52317

HealthyJoCo is a collaborative comprised of JCPH staff and community leaders that help oversee and provide direction for health assessment efforts. These assessment efforts will ultimately identify health priorities in Johnson County by spring of 2023. "Our goal is to make sure identified health priorities reflect what the community tells us, which is why we are collecting information from the community in multiple ways."

The health department urges residents to take the time to answer the 20-minute survey as well as learn more about the community health assessment process.

Please follow this link to take the survey:
