CONSTRUCTION EVALUATION RESOLUTION

Whereas, Iowa Code section 459.304(3) sets out the procedure if a Board of Supervisors wishes to adopt a construction evaluation resolution relating to the construction of a confinement feeding operation structure; and

Whereas, only counties that have adopted a construction evaluation resolution can submit to the Department of Natural Resources (DNR) an adopted recommendation to approve or disapprove a construction permit application regarding a proposed confinement feeding operation structure; and

Whereas, only counties that have adopted a construction evaluation resolution and submitted an adopted recommendation may contest the DNR's decision regarding a specific application; and

Whereas, by adopting a construction evaluation resolution the Board of Supervisors agrees to evaluate every construction permit application for a proposed confinement feeding operation structure received by the Board of Supervisors between February 1, 2024 and January 31, 2025 and submit an adopted recommendation regarding that application to the DNR; and

Whereas, the Board of Supervisors must conduct an evaluation of every construction permit application using the master matrix created in Iowa Code Section 459.305, but the Board's recommendation to the DNR may be based on the final score on the master matrix or may be based on reasons other than the final score on the master matrix.

Now, therefore, be it resolved by the Board of Supervisors of Johnson County that the Board of Supervisors hereby adopts this construction evaluation resolution pursuant to Iowa Code Section 459.304(3).

RESOLUTION DECLARING ALL ARE WELCOME IN JOHNSON COUNTY

WHEREAS, equal rights under the law and liberty for all is foundational to our nation and government; and

WHEREAS, the Declaration of Independence states, “We hold these truths to be self-evident, that all [people] are created equal, that they are endowed by their creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness;” and

WHEREAS, the Iowa state motto states, “Our liberties we prize and our rights we will maintain;” and

WHEREAS, the Iowa Civil Rights Act passed in 1965 and amended in 2007 includes employment, housing, public accommodations, education, and credit considerations as areas of life that cannot be used for discrimination based on a person's color, creed, gender identity, marital status, national origin, disability, race, religion, sex, and sexual orientation; and

WHEREAS, many Iowans are experiencing anger and fear due to several laws passed in Iowa in 2023 and 2024, including the Religious Freedom Restoration Act (RFRA), which codifies religious exemptions allowing individuals to use religious beliefs as legal justification to discriminate against other Iowans who are then deprived of their rights and liberties; and

WHEREAS, discrimination and inequality erode the founding principles of our society and government; and

WHEREAS, equal rights under the law and liberty for all require that anti-discrimination protections be considered a compelling government interest and the least restrictive means of achieving that interest. A religious liberty claim should not be elevated above, nor overruled by law, other equally important rights and liberties; and

WHEREAS, no person should be allowed to use religion, religious freedom, or any other reason as justification to discriminate against another person based on color, creed, gender identity, marital status, national origin, disability, race, religion, sex, sexual orientation, reproductive status, or violence survivor status; and

WHEREAS, Iowans are leaving our communities and the state due to the dangers of RFRA and other laws passed by Iowa lawmakers that send a message contrary to our state's motto; and

WHEREAS, these laws, including RFRA, harm the reputation of our state and the best interests of its business community as well as cities and counties large and small, urban and rural; and

WHEREAS, Johnson County aims to create communities where discrimination has no place and recognizes that ensuring complete safety or freedom from discrimination is a complex, ongoing effort and a collaboration among individuals, organizations, and government.

NOW, THEREFORE, BE IT RESOLVED that we, the Johnson County Board of Supervisors, is committed to promoting a united vision where All Are Welcome in Johnson County and further commits to being a discrimination-free community. We recognize our responsibility to foster communities that actively work toward inclusivity, equity, and the protection of rights for all, even as we acknowledge the ongoing nature of this work; and encourage businesses, housing developments and landlords, non-profit organizations, houses of worship, educational institutions, and neighborhood associations to unite in the message that All Are Welcome in Johnson County and declare themselves a discrimination-free partner.
