To help you get the most out of this learning experience, this lesson is divided into three topics. Once you complete each topic, you will return back to this screen to select the next one.

Once you complete all topics, the Next button will become active, and you will then proceed to a brief ungraded quiz followed by a realistic scenario-based exercise to help you put your knowledge into practice.

Note that the entire lesson is 20 minutes in duration, including the introduction you already viewed and the quiz and scenario-based exercise that you will complete at the end of this lesson.

<b>TOPIC 1: Situational Awareness &amp; How It Applies Before &amp; During an Event</b>	<b>5 mins</b>
<b>TOPIC 2: Situational Awareness After an Event</b>	<b>5 mins</b>
<b>Topic 3: Reflecting on Your Approach to Situational Awareness</b>	<b>5 mins</b>
