SNAP/ FOOD STAMPS

SNAP benefits, the new name for food stamps, can help put healthy food on the table by providing monthly assistance to purchase food at authorized grocery stores and farmers' markets. Benefits are provided monthly through a plastic benefit card, similar to a debit or credit card.

TERMS

EBT

Stands for Electronic Benefit Transfer. It's the system the government uses to disburse benefits.

SNAP

Stands for Supplemental Nutrition Assistance Program. "SNAP benefits" is the same thing as "food stamps."

WHAT SHOULD I KNOW?

- ➡ Employment may not interfere with getting SNAP. Even if you are working, but earning low wages, you may be eligible.
- ➡ Average SNAP benefits are over \$100 per person per month, and \$250 or more for families. That means that SNAP benefits for the average family receiving them totals more than \$3,000 worth of food support each year.
- ➡ Iowa City farmers' markets accept SNAP benefits, so you can purchase fresh produce using your benefits. For a complete list of farmers' markets that accept them, see page 11.
- ➡ For more information regarding the Double Up Food Bucks program, see page 13.

AM I ELIGIBLE?

SNAP Eligibility is based on household size, income, expenses and other factors. Households have to meet income tests to receive benefits, but households that have members who are disabled or elderly (60 or older), or have out-of-pocket expenses for child care or dependent care, can have higher incomes and still be eligible.

 NUMBER OF PEOPLE IN HOUSEHOLD	 MONTHLY INCOME LIMIT (PRE-TAX) ¹	 MAX. MONTHLY SNAP BENEFITS ²
1	\$1, 869	\$281
2	\$2,518	\$516
3	\$3,167	\$740
4	\$3,816	\$939
Each additional household member	+\$649 (approximately)	+\$211 (approximately)

¹ Amounts may have changed

² Effective 10/1/22

If you meet the above income qualifications, it doesn't matter how much money you may or may not have in countable resources. In other words, you can save money for education, a home purchase, or retirement and still receive SNAP benefits.

IMMIGRANT ELIGIBILITY FOR SNAP

Legal immigrants can often receive SNAP benefits if they:

- have lived in the country for 5 years or more; **or**
- are children (ages 18 or under).

➔ Ineligible immigrant parents can still receive benefits for their children even if a parent does not qualify.

➔ Certain non-citizens, such as those admitted for humanitarian reasons, may also be able to receive benefits.

➔ Immigration status is not negatively affected if you apply for or receive SNAP benefits.
