**F28 (Penn St NW) and James Avenue Intersection are open to traffic.
Project #2112202190**

Johnson County, Iowa – Secondary Roads is pleased to announce that the F28 (West Penn Street) and James Avenue intersection paving improvements in Sections 9 and 10, Township 80 North, Range 07 West, Madison Township, Iowa, are substantially complete and both roads are now open to traffic.

Peterson Contractors, Inc. of Reinbeck, Iowa, completed the work over a month earlier than anticipated. Workers and equipment will be present in the work zone as our contractors perform touch up grading and seeding operations as weather allows. Please slow down and drive defensively in the project corridor. Your patience and understanding are greatly appreciated.
